MARKET – SELL – SUCCEED

Dear entrepreneur, you are facing new challenges. Our Start-Up Plus service offers you personal and specialised advice free of charge, even after you have started your business operations.

You will receive tangible guidance and practical tips for marketing, utilising social media, and increasing your sales. We will prepare a development plan for helping you to develop your operations cost-efficiently and in a goal-oriented manner. You can also make use of the many events where you can build up a network and increase your competence. Our Start-Up Plus service is here for you.

The high quality service is produced by NewCo Helsinki, EnterpriseEspoo, and EnterpriseVantaa. We know the market and actors in the field, and our cooperation network is extensive. Make use of the best experts within the capital region!

The Start-Up Plus service is a free expert service for start-up grant customers who have just started their own business.

Experts will help you improve your marketing skills and develop a concrete sales plan to give your business the best chance to grow and succeed.

The service is organized by the TE Office, but provided by a contract partner which you can choose.

For more information on applying for the Start-Up Plus service, please email the Uusimaa TE Office:
starttiraha.uusimaa@te-toimisto.fi.
